Chapter 2.9. Telephone Caller Identification Services

IC 8-1-2.9-1**"Caller ID service" defined**

Sec. 1. As used in this chapter, "caller ID service" means an optional service provided by a telephone company that permits a telephone customer equipped with a display device to view the telephone number of the telephone from which a call is being placed before answering the telephone.

As added by P.L.55-1992, SEC.2.

IC 8-1-2.9-2**Approval of petitions for services; blocking; rates and charges**

Sec. 2. (a) The commission shall approve any telephone company petition for commission approval of caller ID service. The commission may not require that caller ID service be provided with blocking, except that the commission may approve either per-call or per-line blocking for law enforcement and crisis intervention agencies that are certified by the commission.

(b) Rates and charges for caller ID services are not subject to commission approval.

As added by P.L.55-1992, SEC.2.
